

April, 2019

David Raben, MD
Professor and Associate Scientist
Marsico Family Endowed Chair in Head and Neck Cancer Research
Department of Radiation Oncology · University of Colorado Denver

Academic Appointments

2007 Professor, Department of Radiation Oncology. University of Colorado Denver
2001 – 2007 Associate Professor, Department of Radiation Oncology. University of Colorado Denver
1998 – 2001 Assistant Professor, Department of Radiation Oncology. University of Colorado
Denver 1994 - 1998 Assistant Professor and Associate Scientist, University of
Alabama Comprehensive Cancer Center

Hospital and Professional Appointments

1998 Staff Privileges. University of Colorado Hospital –
Aurora, CO 1998 Staff Privileges. Denver Health Medical Center – Denver,
CO
1998 Consulting Privileges. Denver Veterans Administration Medical Center – Denver, CO

1996 – 1998 Residency Program Director, Department of Radiation Oncology. University of
Alabama - Birmingham, AB
1994 – 1998 Consulting Privileges. Veterans Administration Medical Center – Birmingham, AB

Medical Licensure

Colorado, 1998- #37178 (current)
Alabama, 1994-1998 (expired)

Awards and Honors

2018 President University of Colorado SOM Faculty Senate President 2018-2019
Fellow American Society Therapeutic Radiology Oncology
2017 ASTRO Corporate Relations Committee 2017-Present
University of Colorado SOM President Elect Faculty Senate 2017-2018
2015 Selected for the American Society of Clinical Oncology Ambassador Program for Multidisciplinary
Cancer Management Courses
2014 Selected to participate in Univ. of Colorado CCTSI Leadership in Team Science Program (LITeS)
2009 Honored by Cancer League of Colorado for contributions in cancer research
2006 Elected University of Colorado School of Medicine Faculty Senate Secretary
2003 Outstanding Teacher Award. University of Colorado Denver
2001 SPORE Career Development Award. Tobacco Related Malignancies Program. University of Colorado
Denver

Leader - National/International Conferences

Program Planning Committee, 2019, AACR-AHNS Head and Neck Cancer Symposium, 2019
Program Planning Committee, 6th International Congress of Head and Neck Oncology held in
Barcelona, Spain, 2017.
Radiation Planning Comm, 2016 International American Head and Neck Society, Seattle WA, 2016
Past-Chair, Multidisciplinary Head and Neck Cancer Symposium. ASTRO/ASCO/American Head and Neck
Cancer Society. Scottsdale, AZ, 2016
Chair, Multidisciplinary Head and Neck Cancer Symposium. ASTRO/ASCO/American Head and Neck
Cancer Society. Scottsdale, AZ, 2014

Chair-elect, Multidisciplinary Head and Neck Cancer Symposium. ASTRO/ASCO/American Head and

Neck Cancer Society. Phoenix, AZ, 2012
Radiation Oncology Program Co-Chair, 8th International Conference on Head & Neck Cancer, Toronto, 2012. Program Committee, 2010 Multidisciplinary Head and Neck Cancer Symposium. ASTRO/ASCO/American Head and Neck Cancer Society. Scottsdale, AZ
Program Committee Co-Chair, 2007 Multidisciplinary Head and Neck Cancer Symposium. ASTRO/ASCO/American Head and Neck Cancer Society. Rancho Mirage, CA. Jan.18-20.
Organized Fourth Annual Roundtable Leader Consortium on Targeted Therapies For Head And Neck Cancer with Kian Ang, M.D, Ph.D. Miami, FL. February 8-11, 2006.
Organized Third Annual Roundtable Leader Consortium on Targeted Therapies For Head And Neck Cancer with Kian Ang, M.D, Ph.D. Cancun, MX. February 16-20, 2005.
Organized Second Annual Roundtable Leader Consortium on Targeted Therapies For Head And Neck Cancer with Kian Ang, M.D, Ph.D. Jamaica. February 25-29, 2004
Organized First Annual Roundtable Leader Consortium on Targeted Therapies For Head And Neck Cancer with Kian Ang, M.D, Ph.D. Puerto Rico. February 5-9, 2003.

Grants Funded

Ongoing Research:

1R01CA181311-01

01/01/2019-12/31/2023

Role of TGFb signaling in HNSCC progression
Total costs: \$250,000/year direct costs
PI: Xiao-Jing Wang, MD, PhD
Role: Co-Investigator
Effort: 5%

UM1CA186688 Elias (PI)

03/14/2014-02/28/2019

Southwest Early Clinical Trials Consortium (SECT)
Role: Co-PI

NCT03016403 Borrayo (PI)

01/01/16-11/30/2020

A Stepped Care Intervention to Reduce Disparities in Mental Health Services Among Underserved Patients with Lung and Head-and-Neck Cancers and their Caregivers.

Goal: Lung Cancer (LC) and head-and-neck cancer (HNC) are very traumatic cancers because they cause long term dysfunction in daily living (e.g., breathing, speaking) and physical disfigurement. Underserved (i.e., low- income, uninsured, underinsured) LC and HNC patients and their caregivers who suffer from distress (i.e., depression, anxiety) during treatment experience disparities in accessing mental health services. The purpose of this grant is to refine, implement, and evaluate a psychological intervention that has the potential to more *effectively* and *efficiently* provide mental health treatment to underserved LC and HNC patients and to their caregivers.

Role: Co-PI (5%)

NIH/NCI Wolmark (PI)

03/01/2014-02/28/2019

NRG Oncology Network Group Operations Center

Goal: NRG Oncology's primary mission is to improve the lives of adults with cancer by conducting multi- institutional clinical and translational research trials in seven cancer disease sites that will define new standards of care, identify and verify useful biomarkers and biomarker-based clinical decision-making, create better risk stratification models, identify under- and over-treatment scenarios, and create new knowledge leading to greater opportunities for cancer survivorship.

Role: Co-Chair, Developmental Therapeutics
