

UNIVERSITY OF PENNSYLVANIA - PERELMAN SCHOOL OF MEDICINE
Curriculum Vitae

Date: 05/14/2019

Sandra W. Ryeom, Ph.D.

Education:

1989 B.A. Wellesley College (Physics)
1996 Ph.D. Cornell University (Cell Biology and Genetics)

Postgraduate Training and Fellowship Appointments:

1997-2004 Postdoctoral Fellow, Department of Cell Biology, Harvard Medical School, Laboratory of Dr. Frank McKeon

Faculty Appointments:

2005-2007 Instructor, Department of Surgery, Harvard Medical School
2007-2009 Assistant Professor, Department of Surgery, Harvard Medical School
2009-2016 Assistant Professor of Cancer Biology, University of Pennsylvania School of Medicine
2016-present Associate Professor of Cancer Biology, University of Pennsylvania School of Medicine

Hospital and/or Administrative Appointments:

2005-2009 Research Associate, Children's Hospital Boston

Other Appointments:

2015-2017 Founding Member, Richards Society for Assistant Professors
2016-present Associate Investigator, Abramson Family Cancer Research Institute
2017-current Co-leader, Tumor Biology Program, Abramson Cancer Center
2018-2021 Chair, Cancer Biology Graduate Program, Perelman School of Medicine

Awards, Honors and Membership in Honorary Societies:

1989 Senior Physics Thesis Research Honors
Wellesley College, Wellesley, MA
1994 Trainee Investigator Award
American Federation of Clinical Research
Baltimore, MD
1994 Award of Excellence
Vincent Du Vigneaud Symposium
Cornell University
New York, NY
1997 Recipient of National Research Service Award (NRSA) to support post-doctoral research
2004 Recipient of Speaker Award, Federation of American Societies for Experimental Biology (FASEB), summer conference on protein phosphatases
2016-2018 Penn Fellows, University of Pennsylvania
2017-current Participant, Dr. Edward S. Cooper Leadership Training Program (Penn School of Medicine and Wharton Leadership Program)

Memberships in Professional and Scientific Societies and Other Professional Activities:

International:

2016-2018 Israeli Cancer Research Foundation (Member, Review Board)

National:

2007-Present American Association for Cancer Research (Member)

2007-Present Tumor Microenvironment Working Group of the AACR (Member)

2015-current NIH, Tumor Microenvironment Branch (Study Section Ad Hoc Member)

2019-present American Andrology Association

Editorial Positions:

2007-Present	Reviewer, American Journal of Pathology
2007-Present	Reviewer, Cancer Research
2009-Present	Reviewer, Nature Cell Biology
2009-Present	Reviewer, Oncogene
2009-Present	Reviewer, Journal of Clinical Investigation
2012-Present	Reviewer, Cell Reports
2012-Present	Reviewer, Blood
2012-Present	Reviewer, PLOS Genetics
2012-Present	Editorial Board Member, Current Angiogenesis

Academic and Institutional Committees:

2009-Present	Member, Thesis Committees (multiple committees)
2010-2013	Chair, Cancer Biology Curriculum Committee
2010-2013	Member, Cancer Biology Graduate Group Admissions Committee
2010-2012	Member, Faculty Search Committee, Childhood Center for Cancer Research, Children's Hospital of Philadelphia
2010-2014	Member, Faculty Search Committee, Department of Cancer Biology
2011-2013	Member, Hearing Panel for Student Disciplinary System
2011-2013	Member, Preliminary Examination Committee, Cancer Biology Graduate Group
2011-2012	Member, Faculty Search Committee, Department of Cell and Developmental Biology
2012-2013	Member, Radiation Oncology Faculty Search Committee
2014-2015	Co-Chair, Faculty Search Committee, Department of Cancer Biology
2015-2016	Member, Faculty Search Committee, Department of Pathology, CHOP
2016	Judge, Drexel University College of Medicine Discovery Day Platform Presentations
2016-2017	Member, Search Committee for Director of the Cardiovascular Institute
2016-2017	Chair, Cancer Biology Faculty Search Committee
2017	Member, Search Committee for Director of the Abramson Cancer Center
2018-2021	Member, CAMB Executive Committee Member, Cancer Biology Graduate Group Admissions Committee
